TO THE PEOPLE Of the United States

in the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Hovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neg lect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most triffing bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers new only ask a trial of
